Born in San Francisco to mixed Filipino, Spanish, French, and Chinese parents, and raised in Italy, the U.K., and Bali among others, Allen is a versatile model and actor on a mission to raise active awareness of humanity's interconnected health with Earth. This became clear to him after working with friends and designers John and Cynthia Hardy, founders of John Hardy jewelry and The Green School in Bali.

He has modeled in commercial and print ads across the Asia-pacific region and has enjoyed occasional fashion editorial and runway modeling. He has performed in musicals such as 'Spring Awakening' at Cornell University. He and his work have been featured by Suzy Menkes in Vogue, and Nowness. Upon completing MA Fashion Futures at London College of Fashion, he is based between the Philippines and the U.S.A. building his own ecological fashion line and discovering opportunities as a model.
